PLAN TO ATTEND LECTURESHIP AND ALUMNI DINNER

The annual Alumni Dinner is scheduled for Wednesday, November 23, of lecture-ship week at the famous Rendezvous Restaurant. In addition to an excellent meal, you will enjoy the entertainment and other features of the program.

The lectureship theme, "Christian Education", will hold particular interest for you. As usual, men of recognized ability will direct discussion and panel groups and speak on various phases of the excellent Bible theme.

All alumni are invited to come and be with us. Wives, husbands, parents, children and friends are all invited to the dinner. The cost will be \$1.50 each. Reservations should be made so that we can do a better job of serving you. Mail all reservations to your Alumni Office.

The Aim of Christian Education

A WELCOME TRADITION

A tradition is a practice that has been established over a long period of time, but the class of '59 started a procedure that will surely become a true Harding tradition in less time than might be expected.

Being aware of the importance of alumni participating in the support of higher education, they decided to do something about it. Through the leadership of Richard Hawkins, class president, a good percentage of them made a class pledge that they would contribute to the Alumni Fund for the next five years. This pledge is on record in the Alumni Office. It was hoped that this five-year period would establish a permanent giving pattern that would be followed by all succeeding classes.

When the class of '60 graduated, a good percentage of them made a similar pledge and left it on file in the Alumni

Office. Next year will reveal an interesting demonstration of friendly competition between these two classes.

At the end of the first year, indications are that the class of '59 will lead all classes in percentage giving. One exception may be a very early class that had only one graduate. Congratulations to the Class of '59 for this worthy challenge to both past and future classes of Harding College.

NEWS ITEMS DELAYED

In order to list the names of all Alumni contributors during 1959-60, we have held back the regular news items until next issue of the Alumni News.

President's Corner

By Evan L. Ulrey
BA '46

Alumni can take real satisfaction from the financial report for the past year. There is evidence that more of us are realizing our responsibility to support our Alma Mater in a more effective way.

About 200 grads and ex's gave this year that did not give last year. The total amount contributed (\$32,564.75) represents a \$6,883.07 increase over the previous year. The percentage of alumni contributing in 1959-60 was 19.5 or an increase of almost six per cent over the previous year.

I hope that all of us will make a sincere effort to make an equal gain in 1960-61. The gain in numbers of contributors is significant. I hope each of you will solicit the support of your classmates and other alumni contacts. Each alumnus can thus become an active supporter of the great cause of Christian education.

The Bible Building is finished — and in use — a beautiful building, and ground work is underway on a new women's dormitory. I suppose building will never end as new needs are always presenting themselves. We have a record enrollment

again this year — close to 1100, many of whom are children of alumni.

The Senior Class of two years ago initiated a move which we hope each succeeding class will follow. The class gave each member an opportunity to give to the Alumni Fund (at least \$1) for the next five years.

Ninety-seven of the class of '59 made this pledge, and the class contributed \$582.55 the first year after graduation. Many actually gave who had not pledged. I'm sure the class of '59 holds the record for contributions the first year out of college.

The class of '60 followed the example — but it is too early to give statistics on this group. The Alumni Association hopes these classes will keep up the good work and serve as examples for all future classes.

ALUMNI NEWS

FACE OF THE BISONS — Harding grid veteran Walt Mays typifies the zeal of the Bisons in their return to AIC football. Harding claims no victories in the early season, but the Bisons tied Millsaps College 6-6 and held Ark. Tech to 20 points.
